

## MOBILE PHONES – STUDENT USE POLICY

### PURPOSE

To explain to our school community the Department's and Rangeview Primary School's policy requirements and expectations relating to students using mobile phones and smart watches during school hours.

### SCOPE

This policy applies to:

- All students at Rangeview Primary School and,
- Students' personal mobile phones and smart watches with 4G connectivity brought onto school premises during school hours, including recess and lunchtime.

### DEFINITIONS

**A mobile phone** is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as a smart watch.

### POLICY

Rangeview Primary School understands that students may bring a personal mobile phone to school or smart watch, particularly if they are travelling independently to and from school.

At Rangeview Primary School:

- Students who choose to bring mobile phones to school must have them switched off.
- The mobile phone must be taken to be stored at the school office before the start of the school day.
- The mobile phone can be collected at the end of the school day from the school office.
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

### Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Rangeview Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

## Secure storage

Mobile phones and smart watches owned by students at Rangeview Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Rangeview Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile phone to school, Rangeview Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Rangeview Primary School students are required to store their phones by handing them into the school administration office to be placed in a lockable cupboard.

## Enforcement

Students who use their personal mobile phones inappropriately at Rangeview Primary School may be issued with consequences consistent with our school's existing student engagement policies. Student Wellbeing and Engagement Policy and/or Anti-Bullying, Cyber-bullying and Harassment policy.
